

SKYXE816 License Plate Capture Security Camera

General

Pick up Element	1/3" LXR Mono CCD
Sync. Mode	Internal Sync.
Resolution	400 TV Lines
Minimum illumination	0.00 Lux
Signal to Noise Ratio	More than 48dB
Video Output	1.0 Vp-p, 75 ohm
Lens	16mm
Capture Range	15-25 ft (4.5m - 7.6m)
IR Wavelength	850nm

The SKY-XE816 is a close-range license plate capture camera that provides irrefutable plate images in day or night conditions with its precision engineered optics.

Physical

Dimensions	99mm x 219mm (3.8" x 8.6")
Weight	1.25kg (2.73lbs)
Construction	Aluminium
Finish	Anodized Black
Operating Temp	-30C to +40C (-22F to +104F)
Environmental	IP67 Certified

Power Rating

Rated Power	6.5W
Input Voltage	12/24 AC or DC
